Pacific Rim

Tuscan Sun

Midnight Canyon

Lucite® with Microban® is included with every shell color except: Sterling Silver and Sierra.

Lucite® with Microban® Antimicrobial Product Protection.

Our spas are surfaced with Lucite® with Microban® antimicrobial Product Protection. Unlike currently available sprays and liquids, Microban® protection won't wash off or wear away over time, even with cleaning or abrasion.

What is Lucite® with Microban®?

An antimicrobial product protection that inhibits the growth of bacteria that cause stains and odors by intercepting bacteria at the spa surface. It begins to work as soon as bacteria comes into contact with the surface of your spa.

- Inhibits the growth of stain causing bacteria on the surface of the spa.
- Infused into Lucite® cast acrylic sheet during manufacturing so it won't wash or wear away.
- Microban® technology provides continuous, long lasting, durable antimicrobial protection.
